Professional Services 14%

The results of a twitter poll, based on 288 responses

## Tips and Opinions

Dr. Jamal Alakkad

Scout for a specialized, hands-on mentor who can be committed to supporting your startup.

Loai Nassim

Always try to use frustration to fuel your determination in accomplishing your goals.

Fahd Almousa

Platforms can play a vital role in connecting the different stakeholders of an entrepreneurship ecosystem to enable the growth of startups.

Dr. Moudhi Aljamea

No startup is quarantined against the threat of cyber attacks. Having cybersecurity measures in place is essential to mitigate the risk of potential breaches.

## Trending Topics

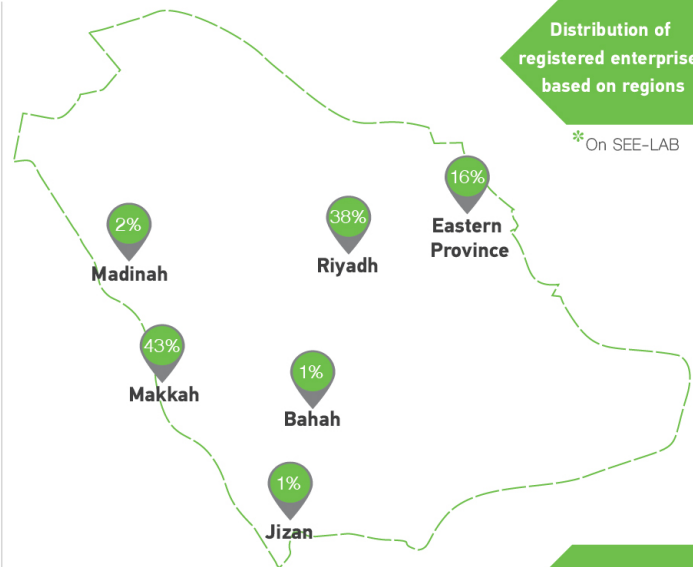

Saudi Arabia has recently approved a new bankruptcy law to boost the growth of the SME sector. This is one of a series of reforms and initiatives aimed at enhancing the overall business climate for SMEs in Saudi Arabia.
